Dear Douglas,

I wanted to express in writing how impressed I have been with your company.

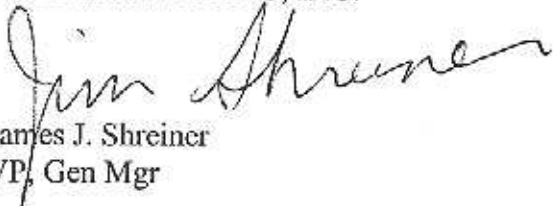

Our Artech Shredder delivers outstanding production, cost effectively. We can now process a wide range of tire sizes, substantially reducing our handling and transportation costs.

Your staff has proven to be knowledgeable and extremely responsive to any questions or issues which have arisen.

I have no hesitation in highly recommending Artech Reduction Technologies to any company requiring industrial shredding equipment.

Sincerely,

ELK DISTRIBUTING, INC.
